CHOOSE COLOR

Baby BadAss, Bolt-on Gate Hinge by SHUT IT is CNC machined to the tightest tolerances in the industry. Unlike The Baby BadAss, The Bolt-On Baby BadAss was designed to be used on smaller gates where welding the hinges to the gate and the end post is not an option. Due to SHUT IT's unique bushing design The Bolt-On BadAss's, like all other SHUT IT gate hinges, produces near frictionless movement with maintenance free usage.
